She may not look like a limited edition to you.

But this child is one of a kind. More valuable than any artist's signed print or sculptor's statue.

She is a unique and priceless creation, lovingly crafted by the hand of God.

But she doesn't feel like it. She is poor, hungry and sick. Like millions of others, she is a broken, hurting child who needs the special care and love that you can provide as a World Vision Childcare Sponsor.

When you give $20 a month to help a precious creation like this survive childhood, and go on to be a productive adult, you get something important in return.

You get a child's deepest appreciation.

You'll also be able to write to your child. You'll feel simple gratitude flow from a child's heart to yours, spelled out in letters he or she will write to you in return.

You see, there will be good reason for your sponsored child's gratitude for you. Your sponsorship gifts will give life itself by providing things like nutritious food, clothing, medical care, an education, help for the child's community and—most important—the chance to personally know Jesus' love.

Thousands of people like you have invested in the lives of children since World Vision started Childcare Sponsorship more than 35 years ago.

But right now more children than ever need a sponsor.

To take a child into your heart, clip and mail the coupon below today. You'll receive a photograph and biographical information about the girl or boy who needs your investment of love and concern.

Your love will lift that precious child up above the pain caused by poverty, hunger and disease. And in return you'll feel your child's deep appreciation.
